

Brookwood-Fernridge Public Engagement

4 elements contributed to the preparation of the Community Plan

Your voice helped shape this plan

April 2016 – May 2017

5 Open Houses

32 Dialogue Sessions

17 Workshops

130+ Emails and letters

1000+ Completed questionnaires
and feedback forms

6 Community Planning Team meetings

What we heard

Preserve a distinct community character

Protect the environment and trees

Create new parks and green spaces

Increase walkability

Provide more local shops and professional offices

Include age-friendly housing options

Limit apartments and townhomes

Retain the small-town feel

Create adequate parking

Build more greenways and trails

Provide wildlife habitat

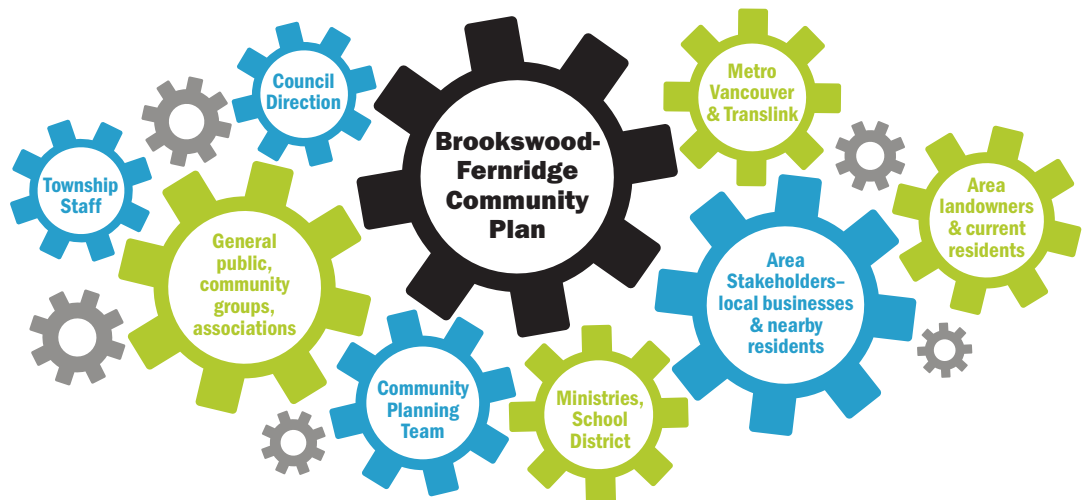

Prevent big-box stores, keep it local

+ much more

You **spoke** up and **made** an impact

Thank you

for engaging in the process and contributing to the plan.

Full Summary of Community Input for each phase can be found online at tol.ca/bfrfcp
