TOWNSHIP OF LANGLEY LOOKS FORWARD TO FUTURE WITH TOURISM LANGLEY

With more than 100 parks, greenspaces, and trails, one of the largest retail centres in the Lower Mainland, and dozens of unique agri-tourism destinations, recreation centres, and attractions, the Township of Langley has a lot to offer.

The Township is pleased to continue working with Tourism Langley to promote the municipality and show visitors from across B.C. and around the world what its 120,000 residents already know.

“There is so much to discover and enjoy here in Langley Township’s six distinct communities and beautiful rural areas,” said Township Mayor Jack Froese. “Whether guests want to learn about our rich history at local museums and historic sites, take in exciting sports, recreation, and entertainment at the Langley Events Centre, visit our wineries and golf courses, or take part in one of our many community celebrations and events, there is something for people of all ages and interests to explore.”

“With so much for visitors to see and do, the Township of Langley confirms its position to continue working with Tourism Langley to showcase our municipality,” Froese said. “We have confidence in the Tourism Langley Board and the direction the organization is taking. The Township is pleased to be moving forward with them, along with our hoteliers and tourism stakeholders, to show the world all we have to offer.”
