CREATIVITY AND HISTORY FEATURED AT HERITAGE FAIR

The Fort Langley Community Hall became a haven of history when dozens of Langley students filled the space with projects on the people, places, things, and events that made our community and country what it is today.

Students from Lynn Fripps, Peterson Road, Dorothy Peacock, and James Kennedy Elementary Schools had the chance to learn, explore, and share during the third annual Heritage Fair. Held on April 13, the event was presented by the Langley Centennial Museum, Langley Heritage Society, and School District #35.

Students created unique projects on everything from Fort Langley and Niagara Falls, orcas and the NHL, to Anne of Green Gables and the Vancouver Olympics. A number of Special Recognition Awards were presented during the Fair:

Langley Heritage Society Award for Best Presentation
Presented by Fred Pepin, President of the Langley Heritage Society
Awarded to **Hadley MacDonald** for “**Egg Farming**”

Docent’s Award
Presented by Melissa Clark, Langley Centennial Museum Docent
