GROWN-UP TIME OFFERED AT ACUCC SIP N DIP

When adults were given the opportunity to enjoy the pools and waterpark at the Otter Co-op Outdoor Experience at the Aldergrove Credit Union Community Centre all on their own, they took to it like, well, fish to water.

The Township of Langley held its first Sip N Dip evening at the ACUCC on July 20. More than 120 people attended, and organizers were thrilled with the response.

“It was a really fun night and a great chance for grown-ups to have some time at the Centre on their own,” said Township of Langley Recreation Centre Supervisor Nikole Longhi. “Normally, the little ones get the run of the place, but this was the adults’ turn. We had a lot of great feedback about the event and lots of buzz around people wanting to attend the next one.”

In partnership with Trading Post Brewing, the next Sip N Dip will be held Saturday, August 17, from 8:30 to 10:30pm at the ACUCC, at 27032 Fraser Highway. During the evening, adult-only enjoyment will be offered throughout the Otter Co-op Outdoor Experience, with grown-ups invited to explore the Roller Soakers water slides, Canyon Creek current channel, Breaker Bay wave pool, and the pools and hot tub within the Pacific Region. Refreshments can be purchased on site from Trading Post, in addition to food and beverages from Triple O’s.

Adults aged 19 plus can call or visit any Township of Langley community, recreation, or cultural centre to register for Sip N Dip in advance. Drop-ins will also be welcomed.
