

Brookwood-Fernridge Neighbourhood Plans are Ready for Review

Your Feedback is Needed!

Join us in finalizing the Booth, Fernridge and Rinn Neighbourhood Plans (NPs) before they go to Council for bylaw consideration. Participate in the online engagement including a virtual Open House, and "Talk With a Planner" events.

Plans Released – Check them out!

The Draft NPs have been released for public comment. They are posted on our website at www.tol.ca/bfnp.

Their release represents the culmination of a process that included successive plan-building steps, intensive technical and policy analyses, and extensive public engagement. The discussions and findings of the process were consolidated into the three draft NPs, providing a 'blueprint' for thoughtful development over the coming decades.
