

Heritage Building Restoration, Repair and Maintenance

The Heritage Building Incentive Program is designed to assist with the costs of restoring, repairing, and maintaining eligible heritage buildings within the Township of Langley. Grants are available to owners of heritage buildings included in the Township of Langley's Inventory of Heritage Resources.

The next deadline for grant program applications is April 4, 2022 at 12:00pm. Find more information on the grant application process, and an application form at www.tol.ca/hbip.
