

Pavement Cut Form

Engineering - Front Counter

PROJECT: RPAV2605-01

1 General Information

Project Number		Date	
Location			
Developer	Tech	Design Form	<input type="checkbox"/>
		Final Form	<input type="checkbox"/>

2 Cross Cuts & Longitudinal

Note: Pavement degradation fee: \$10/m² (included); trench width calculation must include 400mm on both sides of initial trench cut.

Address or state off-set	Cut type	Length (m)	Width (m) + 0.8 (m)	(L x W) = Area
Cut types: ST (Storm), SS (Sanitary), W (Water), G (Gas), H (Hydro), T (Telephone)			Total area =	
Fees: Calculation - minimum charge: \$500.00, total area x \$75.00/m ²			Fee =	\$
SCDEP5-001 Security Deposit			TOTAL * =	\$

The applicant is responsible for notifying the Township's Pavement Technologist two weeks prior to commencement of construction for inspection purposes. Where the applicant fails to provide sufficient notice, a non-refundable penalty charge will be applied and charged to the applicant.

I, the owner or authorized agent of the owner, hereby acknowledge that I have received a copy of the Township of Langley Pavement Cut Policy No. 05-116 and hereby agree to abide by all terms and conditions of the policy.

3 Signature

_____	_____	_____
Authorized signature**	Inspector name	Date measured (mm/dd/yyyy)
