

Questionnaire

Grow Healthy Grow Smart

The Township of Langley, in partnership with Langley Environmental Partners Society (LEPS), encourages residents to consider alternatives to pesticides for their lawn and garden maintenance. The Township of Langley requests public feedback on cosmetic pesticide use. Using any of the following methods, return your completed survey to LEPS:

Mail: 201, 4839 - 221 Street, Langley, BC V3A 2P1

Fax: 604.534.6593

Email: outreach@leps.bc.ca
