

Public Event: **Adapting to Climate Change**

To prepare us for the impacts and risks of a changing climate, the Township of Langley is developing a Climate Change Adaptation Plan.

- **LEARN** how our local climate is changing
- **TELL US** how the changing climate is affecting you
- **DISCUSS** climate change with guest speakers:

John Aldag, Member of Parliament, Cloverdale-Langley City

Trevor Murdock, Climate Scientist, Pacific Climate Impacts Consortium

Opening remarks provided by Township of Langley Mayor Jack Froese

Wednesday, May 22 • 7:00 - 8:30pm
Civic Facility, 20338 - 65 Avenue
Fraser River Presentation Theatre (4th Floor)
Light refreshments will be served.

Climate Adaptation
prepares our community for
climate change impacts such as
prolonged droughts, severe
storms, and flooding
