

BUILDINGS INFRASTRUCTURE

The Township of Langley takes pride in providing and maintaining building infrastructure for our community. Building services and infrastructure are funded through taxes collected from residents and businesses.

has increased demands on the Township's buildings. More funding is required to maintain, renew, and replace aging infrastructure.

THE TOWNSHIP'S BUILDINGS SYSTEM

has grown to include:

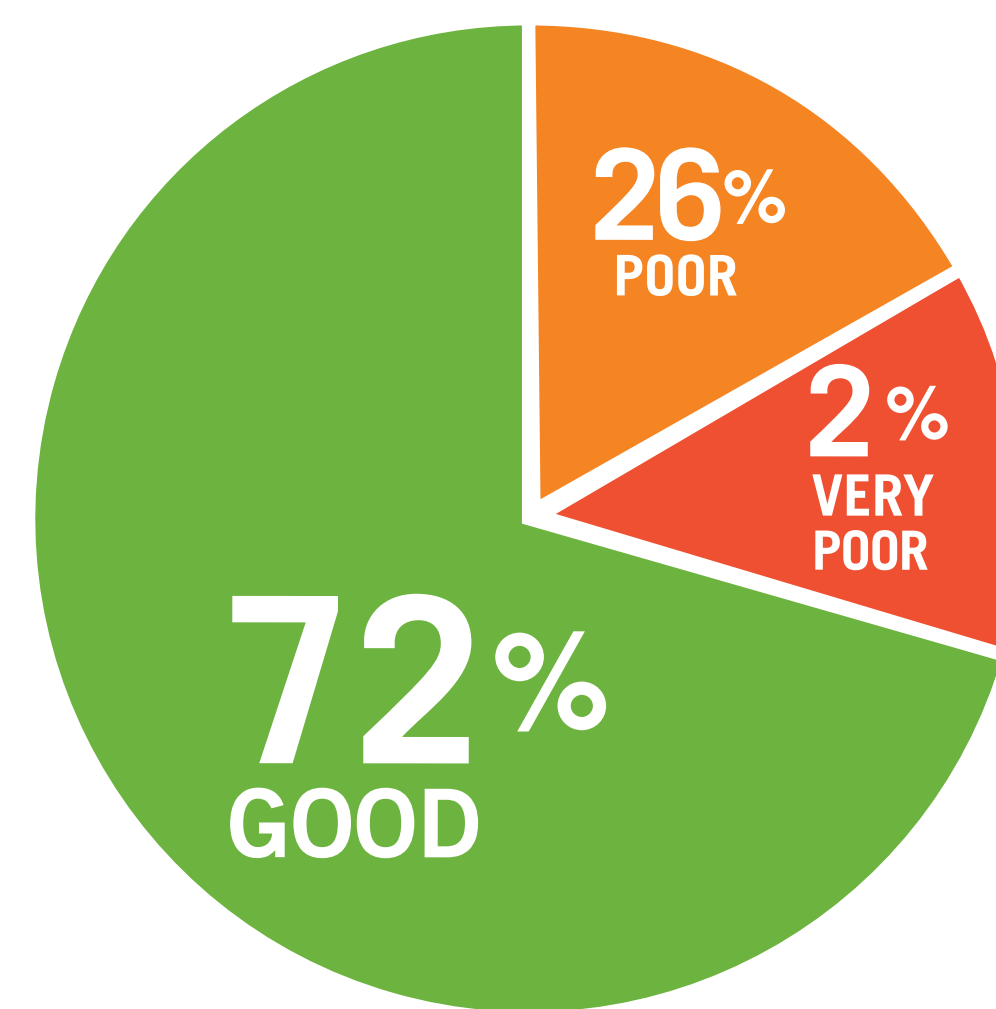

13 recreation centres and culture facilities

7 fire halls

Derek Doubleday Arboretum and Rotary Interpretive Centre

28 electric vehicle charging ports at Township facilities

CONDITION OF INFRASTRUCTURE

... and much more.
