

BUILDINGS INFRASTRUCTURE

The Township of Langley takes pride in providing and maintaining building infrastructure for our community. Building services and infrastructure are funded through taxes collected from residents and businesses.

2021

145,100

forecast
2031

186,000

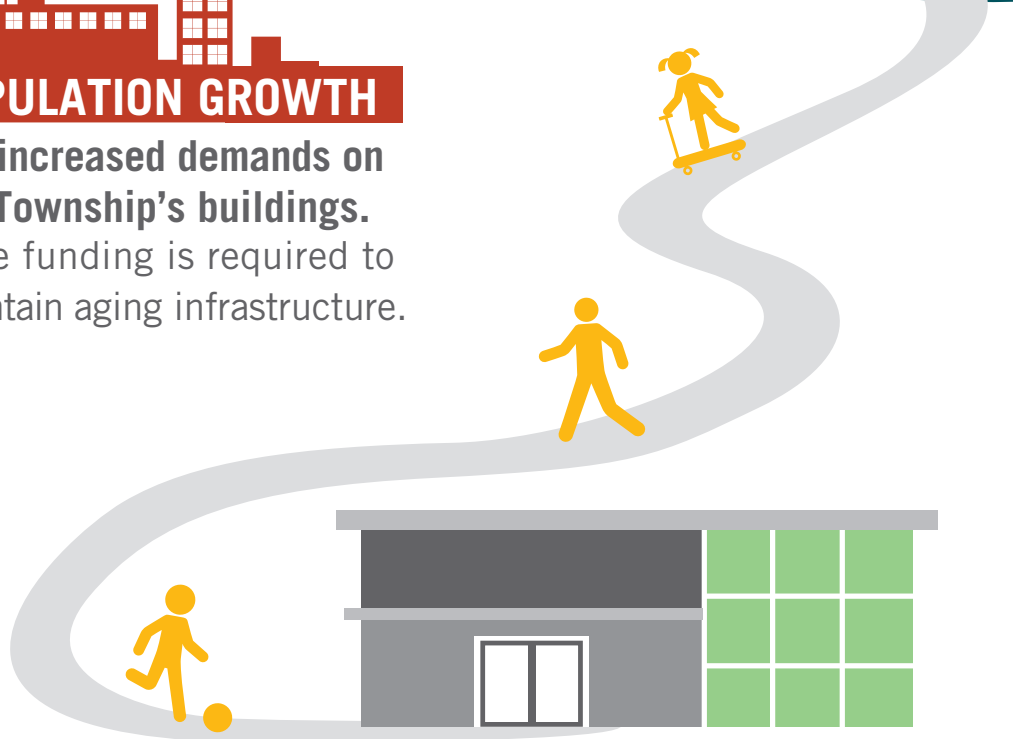

POPULATION GROWTH

has increased demands on the Township's buildings. More funding is required to maintain aging infrastructure.

THE TOWNSHIP'S BUILDINGS SYSTEM

has grown to include:

13 
recreation centres
and culture
facilities

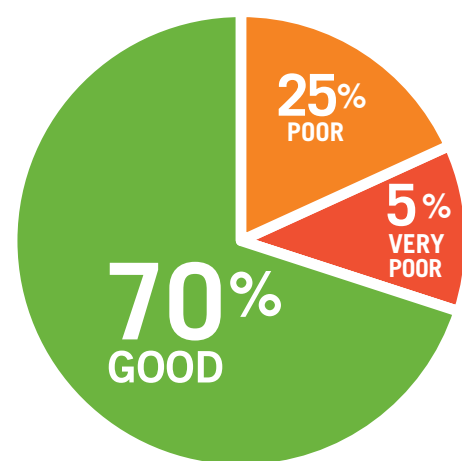

7 
fire
halls

53 
electric vehicle
charging ports
at Township
facilities

... and much more.

**VALUE OF BUILDING
INFRASTRUCTURE:**
227 million (2020)
