

# TRANSPORTATION INFRASTRUCTURE

The Township of Langley takes pride in providing and maintaining transportation infrastructure for our community. Transportation services and infrastructure are funded through taxes collected from residents and businesses.

200 Street

2021

145,100

forecast  
2031

186,000

**POPULATION GROWTH** means the amount of traffic using our roads has increased, placing additional demands on our transportation infrastructure.

Beautiful British Columbia  
**49,360**  
vehicles use 200 Street daily\*

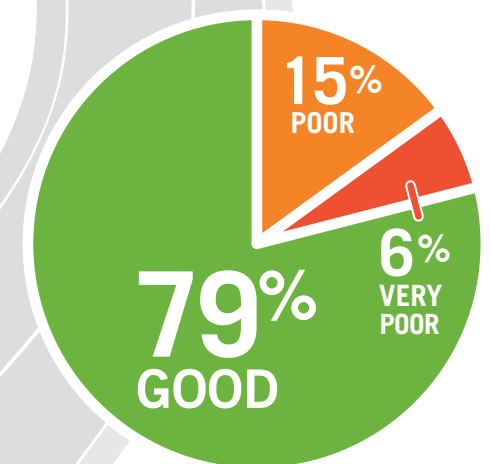

\*number of vehicles that use 200 Street, near 86 Avenue, daily based on traffic camera counts (2021)

## THE TOWNSHIP'S TRANSPORTATION SYSTEM

has grown to include:

## CONDITION OF INFRASTRUCTURE
