

Elector Response Form

Transportation Capital Works

(including railway crossings, assessments, improvements and other transportation initiatives)

The Township of Langley is seeking elector approval for the borrowing of funds to undertake transportation capital works including railway crossings, assessments, improvements and other transportation initiatives. Elector approval is requested using the alternative approval process as described in Section 86 of the *Community Charter*.

The question being put forward to the electors of the Township of Langley is whether they are opposed to the borrowing of funds to undertake transportation capital works including railway crossings, assessments, improvements and other transportation initiatives.

The total number of electors within the Township of Langley, as supplied by Elections BC on January 25, 2017 and approved by Council, is 80,450 electors. If valid Electoral Response Forms are received from 8,045 electors, Council cannot proceed with the borrowing without receiving the assent of the voters by referendum.

If you are opposed to the borrowing of funds to undertake transportation capital works including railway crossings, assessments, improvements and other transportation initiatives and are a qualified elector in the Township of Langley, you can sign an Elector Response form.

If you are not opposed to the borrowing of funds to undertake transportation capital works including railway crossings, assessments, improvements and other transportation initiatives, no action is required.

All Elector Response forms must be received by the Township Clerk at the Township of Langley Civic Facility, 20338 – 65 Avenue, Langley on or before 4:30pm (PST) on June 4, 2018. All forms must have an original signature and cannot be copied or scanned versions of the signature.
