Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract/Policy.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits, except for Life and/or AD&D benefits.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) and British Columbia Life & Casualty Company (BC Life) are referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the employee/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

Integration with Government Plans

Extended health care benefits are intended to supplement and not overlap benefits under government plans such as the Medical Services Plan and Fair PharmaCare Program of British Columbia. You are required, as a condition of coverage, to take all reasonable steps to qualify and obtain the fullest extent of coverage, benefits, contribution, or reimbursement available under all applicable government plans. We will also make payment only where permitted by provincial/territorial legislation or other applicable law.

Effective Date of Coverage and Enrolment

If you are eligible for coverage, you must complete an application card within the Enrolment grace period to ensure that your coverage starts on the correct effective date.

You should apply for Dependent coverage (when applicable):

- 1) on the same date you apply for your own coverage, or
- 2) within the Enrolment grace period if you have a new Dependent.

Limitations:

- 1) If you are not actively at work on your coverage effective date, your coverage effective date will be delayed until you return to active full-time employment.
- 2) If we do not receive your application card within the required time limits, please refer to the Late Applicant section.

Provided you and your Plan Administrator have complied with our enrolment rules, your coverage effective date is shown on our website at www.pac.bluecross.ca/caresnet or from your Plan Administrator.

Should you require additional information about when your coverage starts, please contact your Plan Administrator.

Late Applicants

If you did not apply during the Enrolment grace period but request coverage later (for yourself and/or your Dependents), ask your Plan Administrator to explain the requirements for late enrolment in your Group Plan. Note: Different benefits may have different requirements – evidence of insurability or retroactive premium payment. In some instances, coverage may be denied.

Beneficiary

- 1) To the extent permitted by law, you have the right to name a personal representative or beneficiary for Life and Accidental Death and Dismemberment benefits or change this personal representative or beneficiary, by written request in a form satisfactory to us. You may be asked to substantiate that an individual you claim as a Dependent meets the definition of Dependent for your group.

Claims

- 1) All claims must be submitted to us in English.
- 2) We pay eligible claims when we receive all the required information within the required **time limits**. We encourage you to become familiar with the time periods allowed for claiming benefits. Under the Claims sections, we fully describe the claiming deadlines for each benefit. No payment will be made if we receive your claim after the time limits described in this booklet.
- 3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.

- 4) The necessary claim forms are available from your Plan Administrator or on our website at www.pac.bluecross.ca/caresnet
- 5) The exchange rate on foreign currency is payable at the rate quoted by selected Canadian financial institutions for the date on which the expense was paid. Fluctuations in exchange rates are not our responsibility.

Duplicate Coverage

If you and your Spouse work for the same employer, please check with your Plan Administrator to see if Duplicate coverage is allowed for dental and extended health care benefits.

If you and your Spouse work for different employers and you are both enrolled for similar benefits, Duplicate coverage is allowed.

If you are eligible for Duplicate coverage, you and your family should discuss both plans (and what portion of the benefits you pay) to determine whether it is to your advantage to enrol under more than one plan.

Your Plan Administrator will advise you if you are eligible to waive certain benefits under this group plan.

Coordination of Benefits

If Duplicate coverage is allowed, we pay claims based on the rules of the Canadian Life and Health Insurance Association guidelines. They are:

 - a) the plan of the parent with custody of the child
 - b) the plan of the Spouse of the parent with custody of the child

- d) the plan of the Spouse of the parent in c) above.
- 4) Total reimbursement shall never exceed 100% of the Eligible expenses.

Right of Recovery

You are financially responsible for any claims paid by us on your or your Dependent's behalf after coverage is terminated from your employer's benefit plan. You agree to reimburse us for these payments upon receipt of our invoice.

This is important especially when your Dentist is recommending extensive dental work. This will help you understand what portion of the Dentist's bill must be paid by you in the event that you wish to proceed with the treatment recommended by your Dentist.
- 2) We suggest that you submit claims within **90 days** of the completed date of services (earlier if possible). Failure to submit a claim within the 90 day limit will not invalidate the claim if it is submitted as soon as reasonably possible. However, in no event will we pay any claim or adjustment received later than **12 months** from the date the service is performed.
- 3) We require a separate claim form for each member of your family who has received dental services. Be sure to include the following information on the claim form:

 - a) If you have paid your Dentist directly, we will reimburse you the benefit amount when we receive:
 - i) a claim form signed by the patient that is either submitted with a receipt or is signed by the dental Provider showing the services performed and the fee charged, or
 - ii) an electronic claim showing the services performed and the fee charged. The dental Provider must have the consent of the patient on file to permit the disclosure of the patient's personal information between the Provider and Pacific Blue Cross.
 - b) For pay direct claims, we will pay the benefit amount to the Dentist directly for services provided under this benefit plan when we receive:
 - i) a claim form showing the services performed and the fee charged, signed by the patient and the dental Provider, or

- c) Treatment plan
 - i) Have your orthodontist complete the “Certified Specialist in Orthodontics Standard Information Form” (the treatment plan) before treatment starts.  - ii) If you paid any amount to the Dentist before treatment is complete, we will allow an initial payment amount and then prorate the balance into monthly payments to you throughout the treatment plan period.
 - iii) As long as your coverage is effective, monthly or quarterly reimbursements will be made to you until the dollar maximum is reached or the treatment is complete, whichever occurs first.

Payment of Benefit

If you die while insured, we will pay the amount of your group term life insurance to your beneficiary.

When you designate more than one person as beneficiary, we will assume the benefit amount is to be divided equally, unless you specify otherwise. If your designated beneficiary is under age 18, you should appoint a trustee for this beneficiary and have a trust agreement drawn up and signed. This trustee will receive and give discharge for any benefit amount which becomes payable while your beneficiary is a minor. If no beneficiary survives you, the benefit amount will be paid to your estate.

Living Benefit

Terminal condition

means an injury or sickness from which there is no reasonable prospect of recovery, as determined by us, and which is expected to result in your death within 12 months.

If you have a Terminal condition, we will pay you the living benefit amount shown in the Schedule of Benefits. You or your legal representative must submit a written request for this benefit and include written consent from your beneficiary (release form) and written proof of your medical condition from your attending Physician.

This benefit amount is payable once. The amount of your group term life insurance benefit or the amount of insurance you can convert outlined under the conversion option is reduced by the amount you receive under this benefit.

Waiver of Premium

Should you become totally disabled prior to your 65th birthday, the premium for your group term life insurance will be waived on the date your claim under long term disability is approved.

Conversion Option

You will be eligible to convert your group life insurance coverage to a personal life insurance policy issued by Blue Cross Life Insurance Company of Canada without having to answer any health questions. To qualify, you must be under age 65, and we must receive your application within 31 days of the date your employment terminates. This option does not apply to schedule reductions, or termination of coverage that becomes effective at a specified age.

The maximum coverage you can purchase will be the lesser of:

- 1) \$200,000, or
- 2) the amount of group life insurance you had with us, or
- 3) the difference between the amount of group life insurance you had with us and the amount that is available through your new employer's group plan – provided you become insured within 31 days following the termination of your coverage under this policy.

You may purchase less than the maximum amount of life insurance you are entitled to convert. However, you cannot apply for an amount which is lower than that for which Blue Cross Life customarily issues a policy. You will have a choice of two policies:

- 1) a term life insurance policy for one year, or
- 2) a term life insurance policy to age 65.

Your premium will be based on the prevailing standard rate charged by Blue Cross Life on the date your personal policy is issued.

Claims

In the event of your death, we must receive notice of your death within **30 days**, and a completed claim form along with any proof required, as requested by us, within **90 days**. However, no payment will be made on any claim submitted later than 1 year from the date of death.
