

Township of
Langley

Est. 1873

Welcome from the Administrator

Congratulations on joining the Township of Langley.

We welcome your involvement and look forward to the contributions you will bring to our workplace and our community.

At the Township of Langley, we strive to provide excellent service to the public as we manage the assets, services, and programs we provide to our dynamic, growing community.

We also want to provide the best working environment possible to our employees. We invite you to use your particular skills and strengths to help create a positive atmosphere within the workplace. Your feedback, ideas, and suggestions are always welcome.

New employees are encouraged to participate and take advantage of the many programs and initiatives created specifically for Township of Langley staff, including our wellness program activities, social functions, and the numerous Township events and activities held throughout the year.

We hope you enjoy being part of our team.
