

Welcome from CUPE Local 403

As President of Canadian Union of Public Employees (CUPE) Local 403, Langley Township municipal workers, I would like to congratulate you on your new position with the Township, and extend a warm welcome to you as you join our union family.

Our local represents approximately 750 members at a variety of worksites throughout the Township. CUPE members dedicate themselves to ensuring residents receive the services they require in a professional and cost effective manner. The contributions our members make in the community make Langley Township a fun place to live and help to keep the community and its residents healthy and safe on a daily basis.

Aside from working and living in Langley, many of our members utilize the very services they provide.

We encourage you to take an interest in your union.

Stop by the union office (I am there Monday to Friday), call or check us out on Twitter and Facebook, or take a gander at our website... even better come on out to a union meeting the 2nd Tuesday of each month (exclusive of July and August) at the McLeod Athletic Park Field House. We would love to see you!

In Solidarity
