

Township of  
Langley

## Welcome from the Mayor

On behalf of Township of Langley Council, I would like to welcome you here and congratulate you on becoming part of our valued team. We hope you find working with the Township rewarding, as you are one of the key elements that help make this a great place to work and live in.

A community unlike any other, the Township is made up of six distinct neighbourhoods - Aldergrove, Brookwood/Fernridge, Fort Langley, Murrayville, Walnut Grove, and Willoughby/Willowbrook - all of which are surrounded by rural land. Together they provide a mix of vibrant urban amenities and beautiful natural landscapes.

Here you will find numerous trails, parks, and recreational facilities, one of the largest retail centres in the Lower Mainland, a thriving agri-tourism industry, and a variety of housing and educational options. Known as the Birthplace of BC, it was here in Fort Langley that the proclamation that brought British Columbia into being was made in 1858. As we grow towards our future, we continue to value our heritage and those individuals who made the Township of Langley the community it is today.

All of this creates an atmosphere that more and more people want to be part of, as they discover the wonderful quality of life that can be found here.

With our population now more than 110,000, and that number expected to double in the decades to come, it is vital that we plan now and do the work required to maintain our exceptional lifestyle. To achieve that, we rely on our team of more than 1,000 full-time, part-time, and

auxiliary employees, who work in a variety of divisions and departments to make sure our community continues to thrive.

For those of you who live in Langley, we are pleased you have found work within your community. If you live elsewhere or are new to the area, we encourage you explore all that the Township has to offer.

We also hope you take full advantage of the many activities, functions, special events, and wellness and training programs that are provided to our employees. The Township prides itself on being a safe and respectful workplace, and this is an environment where you can get involved, take ownership, and make positive contributions.

Township staff recently implemented an Expect Excellence program, which encourages all employees to be leaders in the public sector when it comes to providing outstanding customer service. With your expertise, enthusiasm, and commitment, we will continue to provide an exceptional workplace that we can all be proud of.

Welcome to our team!

Jack Froese  
Mayor
