

## Candidate Statement

### Sunny Hundal Kanwar

I moved to the Lower Mainland in 2001 and have since started my family and business here. Since arriving I have felt a deep sense of pride for where I live and firmly believe being an active member of the community is a responsibility, not a choice. As a father, a business owner, and community advocate, I believe families are the core of Langley's strength and will make Langley's future bright. I'm running to make sure we remain a livable city, with good jobs, and a strong community. I hope you will join me in making our future brighter.
