

# Candidate Statement

**Margaret Kunst**

My name is Margaret Kunst.

I am a proud Langley resident with deep roots in this community. I'm running because I care deeply about the issues and future of our town. Local government is said to be the closest government to the people. To do this job well I believe council members must have integrity, respect for fellow citizens, be a good steward of the municipality's assets and be informed about the issues. Most of all be dedicated to serve the entire community with a vision for the future.

If elected, I look forward to digging into the issues, listening to your concerns, working together with council and staff to make the best decisions for our community.

People live, work and enjoy an amazing quality of life in Langley. I want it to continue to be a place where EVERYONE can THRIVE now and in the future.
