

Candidate Statement

Bob Long

Born in England in 1957, Bob came to BC in 1968. At age 22, he founded a community newspaper, and in 1986 began his career in the printing industry at TWU. Soon afterwards he and his wife Karen opened the first of their three restaurants in Aldergrove.

First elected to council in 1999, Bob has served on the board of the Federation of Canadian Municipalities and chaired the BC Caucus and the national committee on Community Safety & Crime Prevention, and has held executive positions on a number of regional and provincial organizations.

“The Township is such a unique community of communities and I believe is one of the most desirable places to live in the Lower Mainland. I have always put ‘community first’ and I find it most rewarding to be able to work in local government, striving to make living in Langley even better.”
