

Candidate Statement

Bev Dornan

I am a lifelong resident Langley with roots in Aldergrove, Murrayville and now Fort Langley. I am a business woman and am an active community volunteer on the Rotary Club, Langley Community Services and past president of the Chamber of Commerce and Hospital Foundation.

My focus is be part of a council with emphasis on quality of life, housing choices for all, working towards transportation solutions, and support of our protective services with our growing community. Affordable housing is one of the most important issues of our day and one I want to work on. Sustainability and protection of agricultural land is paramount.

I hope to bring consensus building, sound decision making, the ability to communicate and listen to the citizens of this great community we call home.
