

# Candidate Statement

Gary Hee

From the desk of Gary B. Hee :

I am pleased to announce my campaign for a Councillor position, in the Township of Langley municipal election on Saturday, October 20, 2018.

After taking part in many team efforts to repeal the Harmonized Sales Tax, to remove Port Mann and Golden Ears Bridge tolls, and to upgrade road safety on 72<sup>nd</sup> Avenue from 196th street intersection to 198<sup>th</sup> Street, I am encouraged to further serve Langley Township for a 4 year term until 2022.

Despite my failed effort to revitalize a Block Watch program in Clayton Rise area, I am optimistic that better outcomes will occur in the future. So, I established the ABC Wild Fire Prevention & Watch Society to bring awareness to the struggles of the BC Wildfire Services and First Responders in our province. As a Canadian, born in New Westminster in 1944, I am honoured to serve Langley in a responsible manner.

Sincerely,  
Gary B. Hee
