

Candidate Statement

Jack Froese

Jack Froese is seeking his third term as Mayor. Jack lived and raised his family in Langley for over 39 years on his family turkey farm. Jack volunteers extensively in the community. He continues to ensure the Township is an exceptional place to live, work, and play for all residents.

Connecting to Langley whether it was by coaching kids in Aldergrove Soccer, volunteering with the RCMP auxiliary in the 80's, volunteering on the board of directors for the 2010 summer games or his activities with Rotary has always been a passion of Jack's.

Jack supported the police and fire departments by hiring more police and firefighters, widened 208 St. overpass to 4 lanes and introduced the Township of Langley Public Engagement Charter.

Jack believes that working together and respecting each other's point of view is the foundation to building a strong future for the Township and for families.
