Fall 2019 Tuesday/Thursday Classes Gradual Entry Process

Dear Parents,

We are thrilled you have chosen Wee Willow Bees Licensed Preschool. The start of preschool can be an exciting and sometimes stressful time for children as they adapt to new routines, meet new teachers, and learn daily routines.

To help make the transition to preschool a positive experience for our newest students and their parents, we are implementing a gradual entry process for our 3-year-old classes. In this schedule, students start preschool in smaller groups and for shorter periods than in the regular classes, and parents stay in class on the first day. Here is the schedule for this fall:
