#### Police Information Check (confidential)

The Township of Langley has a responsibility to ensure that positions of trust in which individuals have significant opportunities for interaction with vulnerable people are filled with duly qualified individuals. As you have applied for a position of trust as a volunteer, the Township requires that you consent to a Police Information Check. After your volunteer interview, you will be asked to complete and submit a form to Langley RCMP before your volunteer experience can begin.

#### Proof of Vaccination Status

It is a condition of volunteering with the Township that successful volunteers provide proof that they are fully vaccinated against COVID-19. Volunteering cannot start until you have provided proof to the Township prior to your start date. An email will be sent to you with further instructions on how to submit your proof of vaccination and an acknowledgment form which must be completed.
